APPLIANCE REPAIR

TERMS & CONDITIONS

PART OF THIS WORK ORDER / SERVICE INVOICE

DIAGNOSTIC, IN-HOME REPAIR & MAINTENANCE SERVICES

> These Terms & Conditions form an integral legal part of the Work Order / Service Invoice on the reverse side. By authorizing diagnostic or repair services, the Customer agrees to the following terms.

1. SCOPE OF 90-DAY LIMITED WARRANTY

A 90-day limited warranty applies solely to the specific defect diagnosed, newly installed replacement parts supplied by HUGO'S APPLIANCE REPAIR, and the specific labor associated with installing those parts, as documented on this Work Order. This warranty applies to residential household service unless otherwise agreed in writing. It is not a whole-appliance warranty. Pre-existing conditions, secondary failures, or unrelated component breakdowns require a separate diagnostic/service call. HUGO'S APPLIANCE REPAIR is not responsible for manufacturer backorders, shipping delays, or parts-supply delays beyond reasonable control.

2. WARRANTY EXCLUSIONS

The limited warranty does not cover failures or damage caused by external plumbing or water-supply conditions, electrical supply problems or surges, inadequate voltage, blocked or restricted external dryer vents or ducts, misuse, abuse, improper installation by others, pest or animal damage, physical damage, normal wear and tear, or unrelated component failures. Warranty coverage remains subject to applicable consumer rights that cannot lawfully be excluded.

3. PAYMENT & TAX TERMS

Payment is due upon completion of the diagnostic or repair service. For repairs requiring special-order parts, a non-refundable deposit (typically covering the diagnostic fee plus the cost of parts and applicable taxes) is required before any parts are ordered. The remaining labor balance becomes due immediately upon completion of the final installation. Any outstanding balance remains payable according to the Work Order. Accepted payment methods include E-Transfer, Cash, Credit Card, and Cheque.

4. UNPAID BALANCES & COLLECTION

If an amount remains unpaid after its agreed due date, HUGO'S APPLIANCE REPAIR may pursue lawful collection remedies. The customer is responsible for reasonable collection or court costs only to the extent permitted by applicable law. No provision of these Terms authorizes entry onto private property or removal of installed parts without lawful authority or the customer's consent.

5. SERVICE CALL & DIAGNOSTIC FEE POLICY

The Service Call & Diagnostic Fee compensates for technician travel, arrival at the service address, inspection, troubleshooting, and testing. Once the technician has arrived and performed the on-site diagnostic inspection/troubleshooting, the Service Call & Diagnostic Fee is due and non-refundable even if the customer declines the recommended repair, unless otherwise required by law or agreed in writing.

6. CUSTOMER-SUPPLIED PARTS

Parts supplied by the customer are installed at the customer's request. HUGO'S APPLIANCE REPAIR does not warrant the quality, compatibility, condition, or performance of customer-supplied parts. Labor related to a defective or incorrect customer-supplied part may be chargeable as a separate service.

7. PRE-EXISTING CONDITIONS / ACCESS

The customer is responsible for providing safe and reasonable access to the appliance, utilities, shut-offs, and work area. HUGO'S APPLIANCE REPAIR is not responsible for concealed, pre-existing, or unrelated conditions discovered during service, including deteriorated plumbing, wiring, flooring, cabinetry, countertops, venting, or previous repairs. The technician will take standard care, but is not responsible for damage to aged, brittle, loose, swollen, water-damaged, or otherwise deteriorated flooring, cabinetry, or countertops during routine appliance movement required for service access. Additional work requires customer approval where reasonably practicable.

8. LIMITATION OF LIABILITY / FOOD SPOILAGE

To the extent permitted by applicable law, HUGO'S APPLIANCE REPAIR is not responsible for indirect, incidental, or consequential losses arising from an appliance failure or a pre-existing condition. **FOOD SPOILAGE DISCLAIMER:** HUGO'S APPLIANCE REPAIR is not liable for loss of food, beverages, or other perishable goods resulting from appliance failure, delays in parts delivery, manufacturer backorders, or periods in which an appliance remains out of service during diagnosis or repair. Nothing in these Terms limits liability or statutory rights that cannot lawfully be limited.

9. ENTIRE AGREEMENT / SEVERABILITY

The Work Order & Service Invoice, these Terms & Conditions, and any written approved changes constitute the service agreement for the work described. If any provision is found unenforceable, the remaining provisions continue in effect to the extent permitted by law. These Terms are intended to operate subject to applicable federal and Nova Scotia law.
